Jobfit Health Group is one of Australia's leading occupational healthcare and medical providers, with over 30 fully owned and operated centres across Australia employing more than 300 staff.

Summary

Jobfit Health Group is one of Australia's leading occupational health and medical providers, with over 30 wholly owned and operated medical centres across Australia employing more than 300 staff.

Jobfit offers a broad range of occupational healthcare services in both metropolitan and regional locations across

Australia, and overseas.

Pre-employment medical bookings can be made online, and results issued within 24 hours.

Jobfit is a division of Fullerton Health Corporation, a leading provider of corporate healthcare across Asia Pacific.

Description

Jobfit Health Group is one of Australia's leading occupational healthcare and medical providers, with over 30 fully owned and operated centres across Australia employing more than 300 staff.

Occupational healthcare services include pre-employment medical and functional assessments, drug and alcohol screening, statutory assessments including Coal Board medicals, Rail Safety Worker medicals, RailCorp medicals, Commercial Driver medicals, MediPass assessments (Gladstone, QLD), injury management and prevention, 24/7 injury hotline, onsite medical services, workplace vaccination programs, worksite assessments and job analyses, executive

health assessments, health surveillance and biological monitoring, workplace health and wellness programs, psychometric test, and employee assistance program.

Appointments are available at our centres within 24 hours, and medical results issued within 24-48 hours of appointment.

Our online booking portal MediManager allows clients to manage medical information for their candidates including book appointments online, check appointment availability at Jobfit centres, track and receive medical results.
